Happy Holidays from Good Cause Greetings

21 Years and Counting!

Over twenty years ago we launched our first line of charity holiday cards. Our mission was to offer unique original designs with a charity component dedicated to helping a wide array of nonprofit organizations doing good throughout the world. MISSION ACCOMPLISHED!

The Cards That Give Twice support education, the environment, healthcare, wildlife and children and their families. A minimum of 10% of the proceeds from the sales of over 600 unique designs enabled us to send record royalty checks to over 70 nonprofit organizations in 2019.

You and your socially-conscious customers are a large part of this success. THANK YOU!

The Good Cause Greetings line is available predominantly in independently owned card, gift and book stores. The kind of stores that make a community special. Stores like yours!

Give your customers an added reason to shop your store for their holiday greetings this season. We promise top-quality products, easy ordering and exceptional customer service. Call us today for the rep in your area.

Make a Difference -- Show you Care!
