Dear Cathy and staff of Good Cause Greetings,

Greetings! On behalf of the entire team here at Free The Children, I would like to send my sincerest thanks for your recent, generous donation for children in need.

We are currently allocating your donation to one or more branches of our multifaceted education initiatives program in a developing community in Ecuador. There, your contribution will soon be set to use toward much-needed education initiatives for children and families in need. Those initiatives include building schools and on-site libraries; and financing teacher salaries, school furniture and classroom supplies.

We at Free The Children believe that education provides the highest return of any social investment in the developing world, and is the best avenue for empowering children with the tools, knowledge, strength and confidence they need to promote and protect their own rights, growth and self-sufficiency. Education helps families, communities and even entire nations break the cycle of poverty.

Once again, thank you for your great generosity. Your donation means more than you can imagine to its worthy beneficiaries. Either directly or through the beauty of the ripple effect, this gift will enhance the lives of hundreds, if not thousands, of people in need. It truly is the gift that keeps on giving, and for that we send our most heartfelt gratitude.

If you have any questions, please do not hesitate to contact me. I can be reached at [xin@freethechildren.com](mailto:xin@freethechildren.com), or visit our website at [www.freethechildren.com](http://www.freethechildren.com) for more information on our projects and our organization.

Sincerely,

  
Xin Xing
